

### EASEC-18 Instructions for full paper submission

1. Please ensure that the author who will submit the full paper is the same as the author who submitted the abstract.
2. The author must be logged in using the same account that has been registered for the abstract submission. To log in, click on the human icon on the top right corner of the conference website.
3. Once logged in, click on the menu labelled “Paper Management” then select “Paper list”. This will take you to the “Full Paper List” page.

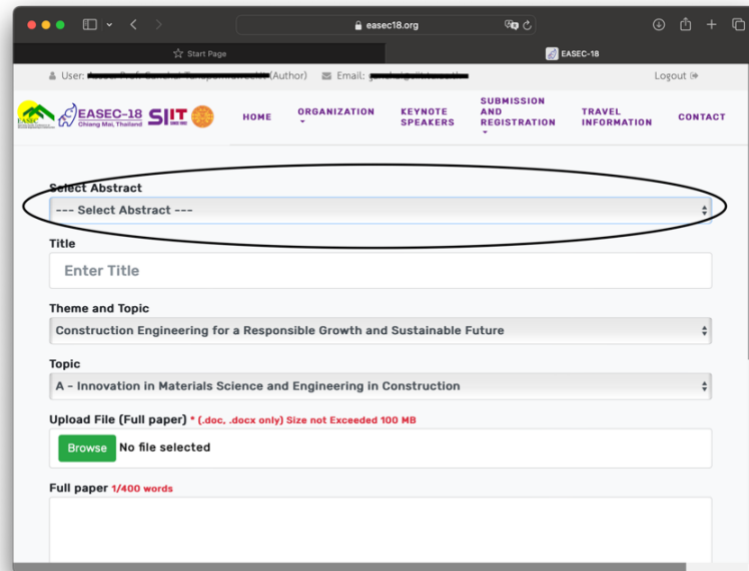

4. In the “Full Paper List” page, click the “+ Full Paper” button. You will be taken to the full paper submission page.

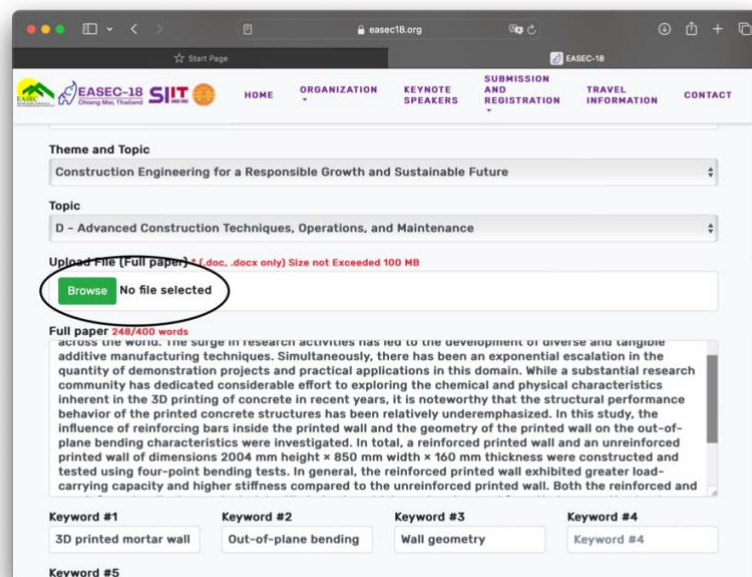

- In the full paper submission page, click the “Abstract” drop-down menu. You will see the title of all your accepted abstracts. Select the title of the abstract for which you want to submit the full paper.

Note: if you are not the author who submitted the abstract, you will not see the title of your abstract listed under the drop-down menu. Also, if your abstract has not been accepted, you will not see the abstract title under this list.

The screenshot shows the submission page on easec18.org. The 'Select Abstract' dropdown menu is highlighted with a red oval. Below it, the 'Title' field contains 'Enter Title'. The 'Theme and Topic' dropdown is set to 'Construction Engineering for a Responsible Growth and Sustainable Future'. The 'Topic' dropdown is set to 'A - Innovation in Materials Science and Engineering in Construction'. The 'Upload File (Full paper)' section shows a 'Browse' button and 'No file selected'. The 'Full paper' word count is 1/400 words.

- After you have selected the abstract, all the related details (title, keywords, authors, etc.) will be automatically populated. You can edit these details (add/remove authors, modify paper title, etc.) should you wish to.
- To submit your full paper, select the “Browse” button then choose your paper file to upload.

The screenshot shows the submission page with the 'Browse' button highlighted by a red oval. The 'Theme and Topic' dropdown is set to 'Construction Engineering for a Responsible Growth and Sustainable Future'. The 'Topic' dropdown is set to 'D - Advanced Construction Techniques, Operations, and Maintenance'. The 'Upload File (Full paper)' section shows a 'Browse' button and 'No file selected'. The 'Full paper' word count is 248/400 words. The text area contains a paragraph about 3D printing of concrete. Below the text area, there are five keyword fields: Keyword #1 (3D printed mortar wall), Keyword #2 (Out-of-plane bending), Keyword #3 (Wall geometry), Keyword #4 (Keyword #4), and Keyword #5.

**EASEC-18**
